

Partnership Opportunities for You & Your Company

HOSA promotes opportunities in the health professions! As a HOSA partner at the Montana HOSA State Leadership Conference, opportunities will be provided to network with our future healthcare leaders who will experience competitive events, leadership development, teambuilding, educational symposiums, and dynamic general sessions. Don't miss the opportunity to make a difference in the lives of young people who strive to become our future health professionals.

Sponsorship levels afford you the maximum investment in our future. The top three winners receive the sponsorship money if they go to the National Conference to compete. If not, your sponsorship helps cover meeting room rentals, speaker fees, or audiovisuals.

Scholarships

Your company/organization may already offer scholarships to students in the health professions. If you would like to award your scholarship to a HOSA student in a chosen field, or for all-around merit, scholarship, and community service- your scholarship application can be posted on the MT HOSA website and you can present this scholarship during the State Leadership Conference Awards.

Partnership instructions are on the next page and may be printed and mailed.
